5. Appeals Process Overview

6. Managing Appeals

The initial appeal should be discussed informally with the staff person involved.

- If the matter is not resolved informally then the person may choose to lodge a formal appeal. This must be done in writing or by requesting Form from Administration which may be completed and submitted.
- A student may lodge an appeal within four (4) weeks of receiving their result of assessment or when provided feedback of an assessment.
- Generally, ALC will aim to have the appeal resolved and responded to within thirty (30) days.
- The appeal will be recorded on the Appeals Register and the Operations Manager will make contact within a reasonable timeframe to arrange a meeting.
- The meeting will be between all parties to find a resolution. If necessary, appealed assessments will be reassessed by an alternate trainer/assessor.
- The meeting will be documented with all outcomes and proposed resolutions being provided to all parties and actions immediately implemented.
- The Appeal will be recorded on a Register of Appeals for future reference and monitoring.
- If the student is not happy with this outcome, they will be referred to an external body where the matter can be dealt with independently.

7. Timeframes

- An appeal or complaint can be lodged within six weeks of the event.

- The Operations Manager or Compliance will make contact within ten (10) days to make a meeting appointment.
- Generally, ALC will aim to have the complaint resolved and responded to within thirty (30) days.
- Where ALC considers it requires more than sixty (60) calendar days to process and finalise the complaint or appeal it will:
 - Inform the complainant or appellant in writing, including reasons why more than 60 calendar days are required; and
 - Regularly update the complainant or appellant on the progress of the matter.
